HUNTER NOEY

Kyle, Texas · (512) 395-5237

HunterNoey@outlook.com

As a recent college graduate, I am a motivated Computer Science major who is eager to launch my career as a professional software developer. Through my studies and with my experience as a student-instructor, I have obtained the technical and leadership skills needed to immediately add value for my organization.

EXPERIENCE

JAN '18 – DEC '19

SUPPLEMENTAL INSTRUCTOR/TEAM LEADER, STUDENT LEARNING ASSISTANCE CENTER AT TEXAS STATE UNIVERSITY

Provided guidance for students in Computer Science and Calculus II. Provided fellow instructors with feedback to help them improve their teaching and leadership abilities
